# Max Induction Furnace

Dear Sir/Madam,

Greetings from Max Induction Furnace.

We are one of the leading suppliers, manufacturer and distributor of Induction Furnace's Spare Parts as well as Concast (CCM) spares and change parts. We are based in Ahmedabad (India). We have expertise on the repairing of induction furnace coil. Our team is an expert of engineers and technician as well. They can handle any of situation occurred.

We could provide man power as bellows.

## 1) Furnace Department

- a. Furnace In charge
- b. Melter
- c. Bari man
- d. Helper

## 2) Concast

- a. Shift In charge
- b. Mould Operator
- c. Ladle man
- d. Ladle Mission
- e. Gas Cutting Operator
- f. S B O Operator
- g. Tendis Mission
- h. Crane Operator
- I Helper

## 3) Electrical Department

- a. Furnace Electrical Technician
- b. Concast Electrical Technician

We are more than happy to provide you the catalogue as well as rate card as desired.

Let us know if we can join your team with our spares or our team members.

Assuring to best service to you.

Sincerely,

Vishnu Desai

## Max Induction Furnace

### Yoke Mica

Yoke Mica Yoke Mica is made from Hard Mica sheet . It has very good dielectric and mechanical properties. We also supply it with lamination of Asbestos sheet along with fire proof paper. Also known as .....

### Coil Support

With the aid of our well developed manufacturing unit, we manufacture, export & supply Coil Support . The offered coil supports are made from selected quality hardwood veneers treated with specifically .....

### Thyristors And Diodes

We supply all Range of Thyristors And Diodes for Heavy power equipments Like Induction furnaces , Induction Heating equipments, AC , DC Drives. We also provide various semiconductor fuses. Our Thyristors .....

### FRP Washers

We have gained expertise in delivering a wide range of FRP Washers to our esteemed consumers. These are widely utilized in various sectors. Our items are highly admired for their quality and longer life .....

### Furnace Hardware Parts

With vast industry experience and immense knowledge, we manufacture, export & supply Furnace Hardware Parts . Our offered hardware part is manufacture under the guidance of skilled professionals .....

### Furnace Crucible Spares

With our immense expertise in the concerned domain, we manufacture, export & supply Furnace Crucible Spares that are reliable to use. Our offered crucible spare is manufacture under the guidance.

### Hose Clamps

We have gained expertise in delivering a wide range of Hose Clamps to our esteemed consumers. These are made by using premium quality material and advance technology. Our products are highly admired for .....

### Panel Meters & Pressure Switches

We have emerged as the prominent manufacturer, exporter & supplier of premium quality range of Panel Meters & Pressure Switches . These products are strictly tested against every quality .....

## Max Induction Furnace

### Induction Furnaces Spares

We feel proud to introduce ourselves as the prominent firms engaged in manufacturing, exporting and supplying a broad array of Induction Furnaces Spares. These furnace spares are stringently .....

### Seal Kits

We are providing Seal Kits to our clients. These are manufactured with the help of our designers and engineers using high technology and state-of-the-art facilities. Also, we are able to custom design .....

### Permali Wood Coil Support

We are highly engaged to introduce our clients a quality grade Permali Wood Coil Support. These products are used for supporting induction coil in upright position. Our offered products are .....

### Industrial Water Cooled Cables

We are delivering Industrial Water Cooled Cables to our clients. This stands high on quality parameters and is available at competitive prices. Also, these are duly checked at certain parameters to ensure .....

### Hydraulic System Spares

We are recognized as the leading manufacturer, exporter & supplier of Hydraulic System Spares. Our offered spare is manufacture under the guidance of skilled professionals using optimum grade .....

### Fasteners

We are prominent manufacturer, exporter & supplier of Fasteners that are appreciated in international market for dimensional accuracy and sturdiness. These fasteners are used in engineering .....

### Induction Furnace Refractory Blocks

We are delivering Induction Furnace Refractory Blocks to our clients. Manufactured from high quality refractory cement. Our products are rugged and and give good life. These are easily procurable at a .....

### Induction Furnace

We are delivering Induction Furnace to our clients. The advantage of the furnace is a clean, energy-efficient and well-controllable melting process compared to most other means of metal melting. Most .....

## Max Induction Furnace

### Hydraulic Flexible Hose

We are delivering Hydraulic Flexible Hose to our clients. This is manufactured using quality raw material and advanced technology. Our experts and engineers are capable enough to maintain pace with the .....

### Thyristors

We are considered as the foremost manufacturer, exporter & supplier of an impeccable quality Thyristors. Offered thyristor is manufactured from the finest quality of material & leading techniques .....

### Hydraulic Gear Pump

Our wide range of hydraulic gear pumps are fabricated using quality raw material and is available at optimum prices. With the assistance of our engineers and designers we are able to carve a niche for .....

### Mica Washers

Our firm is a very prominent name of the market for delivering a wide range of Mica Washers to our clients. These are broadly used in various sectors. Our products are highly admired for their quality .....

### Capacitors

We are delivering Capacitors to our clients. This is highly appreciated by global clients for their accuracy and durability. Our designers are capable enough to manufacture precision engineered meters .....

### Selector Switches

Selector Switches We are catering selector switches to our clients based globally. These are available at optimum prices with customized solutions as per clients' specifications. Owing to the quality .....

### MS Lancing Pipes

Our firm is offering MS Lancing Pipes to our clients. We offer these pipes in different sizes and shapes at competitive prices to our valuable customers. These products are manufactured in adherence with .....

### Water Cooled Cable Spares

Our diverse range of Water Cooled Cable Spares catered by us are of top-notch quality and these are manufactured using quality raw material and advanced technology. Our experts and engineers are capable .....

### Asbestos Rope

Mica Products Mica are mainly used for thermal as well as electrical insulation purpose. We are offering an exclusive range of mica which is available as per the requirements of the clients and is offered .....

### Flow Switch

In our broad assortment of products, we manufacture, export & supply Flow Switch which is widely used to measure the flow of fluids and are suitable for sensing water, air and chemicals. These .....

### FRP Tubes

FRP Tubes Standard length 1 mtr. Available in various diameters & thickness. Used as electrical insulation in various industries. Temperature withstanding capacity upto 400 degree centigrade

### Wcl Spares

By keeping track with the latest market trend, we manufacture, export & supply WCL Spares which are capable enough to maintain pace with the latest trend of the marketplace. These spares are strictly .....

### Resistors

Keeping in mind the diversified needs of our valuable clients manufacture, export & supply qualitative range of Resistors that are widely used in electrical equipments. The offered resistors .....

### Gauges

Gauges are used in induction furnace to monitor different parameters of running furnace. We are catering to demands of qualitative gauges. These are highly durable and reliable in performance and .....

### Capacitors

Capacitors The wide assortment of capacitors catered by us is highly appreciated by global clients for their accuracy and durability. Our designers are capable enough to manufacture precision engineered .....

### Round Mica

Being one of the most prominent leaders in the industry, we are the manufacturer, exporter & supplier of Round Mica which is highly appreciated for their dimensional accuracy, durability & rigid construction .....
